Career Opportunities

JCU Education (Primary) graduates have what it takes to meet diverse needs and inspire young learners from Prep to Year Six.

Graduates pursue careers in state, Catholic, and independent schools across Australia.

You will be well positioned to find employment as a primary school teacher in rural and regional Australia. Graduates will be particularly qualified to meet the education and care needs of Aboriginal and Torres Strait Islander students.

Study to be a Primary teacher online

Make study work for you. Gain the flexibility to study the Bachelor of Education (Primary) when and where it suits you. Studying online enables you to fit your coursework around existing commitments, so you can achieve your goals and receive the same qualification as you would studying on campus.

With assured placements close to home you will also complete a total of 85 days of workplace learning over the course of your degree.

THE FASTEST WAY TO QUALIFY FOR YOUR DEGREE PART-TIME

Our Bachelor of Education (Primary) online courses are built for students

Study and live in some of the most interesting places in the world. Cairns and Townsville are on the doorstep of the Great Barrier Reef, magnificent rainforests, the savanna region and Outback Australia.
