“As a Vet student, I found my time at the JCU Veterinary Hospital incredibly delightful. I especially enjoyed the General Practice and surgery rotations where we shadowed

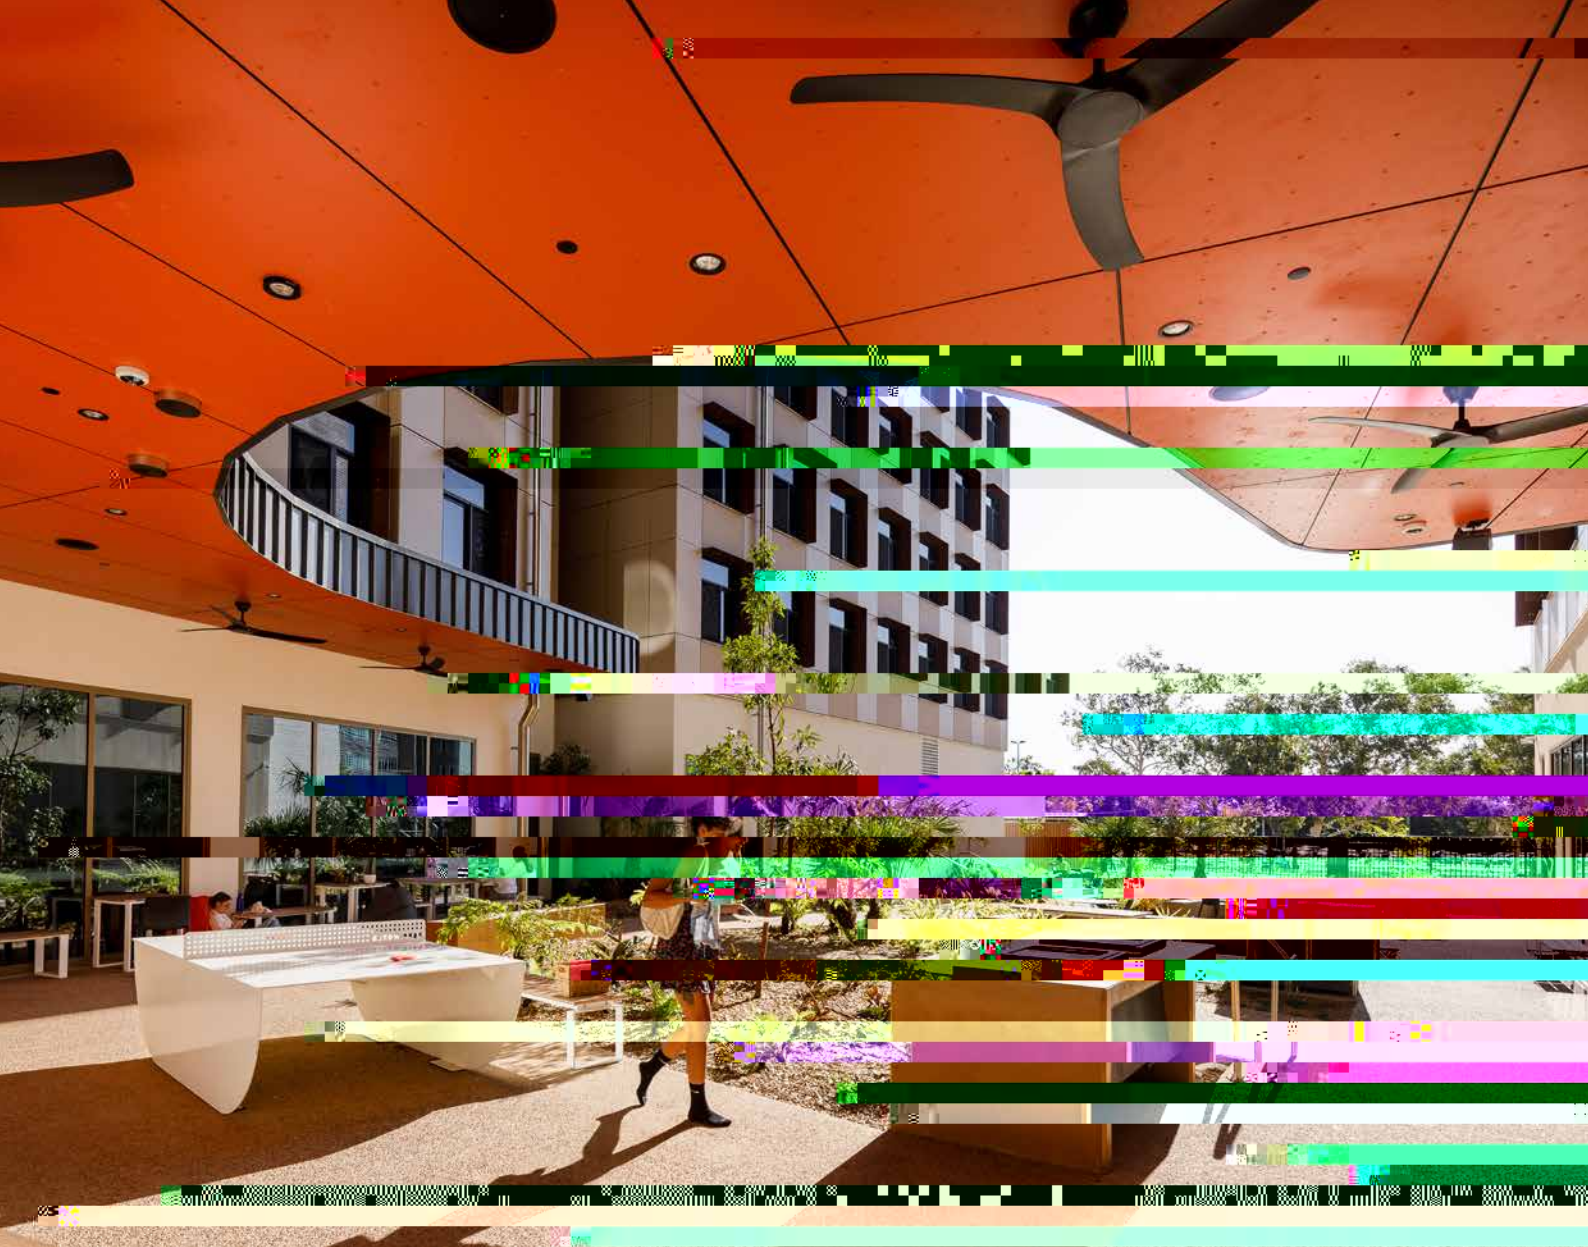

"I'd heard great things about Agilent"

Career Opportunities

Agilent is a leading provider of analytical solutions for pharmaceutical and biotech companies. We are currently seeking qualified individuals to join our team in the following roles:

- **Senior Analyst** - Develop and optimize analytical methods for the characterization of pharmaceutical products.
- **Quality Control Specialist** - Perform routine testing and ensure compliance with regulatory requirements.
- **Research Scientist** - Conduct research and development of new analytical techniques.
- **Application Specialist** - Provide technical support and training to customers on the use of Agilent instruments.

For more information on these and other career opportunities, please visit our website at www.agilent.com/careers. We are an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, gender, age, or ethnicity.

JCU Accommodation

The JCU Accommodation is a modern, multi-story building located on the JCU campus. It provides a range of accommodation options for students, including single rooms, double rooms, and shared rooms. The building is equipped with modern amenities and facilities, including a swimming pool, gym, and study areas. The accommodation is situated in a central location, close to the main campus buildings and the JCU library.
